Private outdoor spaces
for high-style al fresco living

A Rooftop of One's Own

Every home in the Penthouse Collection features a private rooftop oasis perched above the treetops. As the sun rises, it's a secluded spot to sip tea and read the morning paper. Come evening, it's made for entertaining, with a barbecue kitchen and space for sharing meals and conversation as the sun dips below the horizon.

With built-in outdoor barbecue kitchens, spacious rooftop decks offer ample room for dining and lounge seating
